GRADING
Homework & Quizzes 20%
Midterm 30%
Final Exam 50%

Unannounced quizzes may be given at any time during lecture or during your discussion section.

The first homework assignments listed on the next page. Homework is due in lecture on the indicated days. Late homework will not be accepted nor will make-up quizzes be given. However, I will drop your lowest homework and quiz score. Only selected homework problems will be graded. Your homework and midterm will be returned to you in your discussion section. Please make sure that your name, perm number, and the time of your discussion section are written on your paper, so that I can give you credit for your work and return it to you. Label your work clearly, and please staple your papers together.
