1. The plan for chapters to be covered Chapters 9–15

2. Webwork 1. http://webwork3.math.ucsb.edu/webwork2/Math34B-01-S14-Ye
Your login name and password are your perm.
2) You'll receive an email notice when a new homework set is assigned. You must complete each homework set before its deadline. Normally you'll have one week time to complete each homework set.

Questions about Webwork problems will be answered by your TA. Please do not send emails from Webwork until further notice. **Send emails regarding Webwork to your TA instead.**

Other questions about the course should also be emailed to your TA. Your TA will report to me if needed. If your TA can't help you, you can of course approach me.

2. Discussion Sections In the discussion sections the homework problems or problems similar to them will be discussed, and quizzes will be given from time to time.

3. Exams 1) I am planning to give two in class midterm exams. The dates will be announced in due time. The final exam is scheduled to be on June 11, 2014.
2) You may bring one 5x7 card into exams with standard math facts on both sides. You must bring a photo ID to all the exams. You need to show your photo ID when turning in your exam.

4. I need Help! Mathlab in South Hall 1607 is staffed M–F noon–5pm by TAs who will be happy to help you. CLAS is the Campus Learning Assistance Service (see www.clas.ucsb.edu). They have drop in help and they have classes. I recommend you sign up for one of these classes. Enroll online http://my.sa.ucsb.edu/clas

5. Calculators A basic $12 scientific calculator will sometimes be useful. It should be able to do logs. Calculators are NOT allowed in exams.

6. Grading policy First Midterm 17%, Second Midterm 18%, Webwork 20%, and Final Exam 45%.
